This matter was opened to the New Jersey State Real Estate Appraisers Board (the "Board") upon receipt of information which the Board has reviewed and upon which the following findings of fact and conclusions of law are made:

1. Respondent is a State Certified Residential Real Estate Appraiser in the State of New Jersey, and has been a licensee at all times relevant hereto.

2. Pursuant to N.J.S.A. 45:14F-18 and N.J.A.C. 13:40A-5.3, all licensed and certified real estate appraisers are required to complete all continuing education requirements established by "The Real Property Appraiser Qualification and Criteria and Interpretations of the Criteria" promulgated by the Appraisal Qualifications Board of the Appraisal Foundation (the "AQB"), and the AQB requirements are incorporated by reference in the Board's regulations. For the two year period between January 1, 2008 and December 31, 2009, the AQB Qualification Criteria mandated that appraisers complete a minimum of twenty-eight class hours of approved continuing education.

3. Pursuant to N.J.A.C. 13:40A-5.4, all licensed and certified appraisers are required to complete a seven hour National Update Course on the Uniform Standards of Professional Appraisal Practice ("USPAP"), or its equivalent, at least once every 24 months. The AQB Qualification Criteria similarly mandate that appraisers must successfully complete the 7 hour USPAP Update Course, or its equivalent, every two calendar years.

4. Pursuant to N.J.A.C. 13:40A-5.8, licensees or certificate holders are required to maintain documentation for at least four years of continuing education hours completed in order to verify program attendance and/or activity completion.

5. On or about October 30, 2009, respondent completed and returned a biennial licensure registration form, for the period January 1, 2010 through December 31, 2011 to the Board, and respondent's license was then renewed by the Board through December 31, 2011.

6. Respondent was asked on the biennial renewal application whether respondent "completed the continuing education requirement during the past two years," referring to the biennial renewal period of January 1, 2008 through December 31, 2009. The renewal application included "specific instructions" regarding this question, which read:

As a condition of renewal, licensees are required to obtain at least 28 credit hours of approved continuing education for each biennial renewal period subsequent to licensure/certification or 14 hours of continuing education if initially licensed or certified in the first six months of the second year. If initially licensed or

certified during the last six months of the second year, no continuing education is required. If you are exempt from this requirement for this renewal period only, please answer "yes" to this question. Credits may not be carried over to another renewal period.

Respondent answered "yes" to the question.

7. Respondent was asked on the biennial renewal form whether respondent successfully completed the seven hour National USPAP Update Course, or its equivalent, during the past two years, referring to the biennial period of January 1, 2008 through December 31, 2009. The renewal application included "specific instructions" regarding this question, which read:

As a condition of renewal, licensees must successfully complete the seven-hour National USPAP Update Course, or its equivalent, at a minimum of every two years. Equivalency shall be determined through the AQB Course Approval Program or by an alternate method established by the AQB.

Respondent answered "yes" to this question.

8. Respondent certified, when submitting the renewal application, that all of the information on the renewal form was true and complete to the best of respondent's knowledge, and acknowledged awareness that if any of the information submitted was willfully false, respondent would be subject to punishment and/or disciplinary sanction to include license suspension or revocation or the imposition of civil penalties as provided by law.

9. On or about February 19, 2010, the Board commenced a continuing education audit, asking a random sampling of its licensees to submit documentation to verify completion of required continuing education. Respondent was selected for inclusion within

the continuing education audit.

10. On or about February 19, 2010, all licensees selected for inclusion in the audit were sent a notice, by regular mail, addressed to the address of record that the licensee maintained with the Board, advising of the need to supply copies of documentation maintained to verify continuing education hours claimed. On or about April 13, 2010, those licensees who failed to respond to the first notice were sent a second notice by the Board detailing the need to supply documentation to verify continuing education claims. The second notice was sent by both certified and regular mail.

11. In response to the audit respondent supplied documentation verifying completion of the following continuing education hours:

- a. seven (7) hour USPAP Course, or its equivalent, and
- b. fourteen (14) hours of approved continuing education.

CONCLUSIONS OF LAW

1. Respondent failed to demonstrate, to the satisfaction of the Board, completion of all of the required 28 hours of approved continuing education for the two year period between January 1, 2008 and December 31, 2009. The Board therefore finds respondent in violation of N.J.A.C. 13:40A-5.3 which in turn subjects respondent to sanctions pursuant to N.J.S.A. 45:1-21(e) and 45:1-21(h).

2. Based on the above findings and conclusions, the Board

further finds that respondent falsely certified on the renewal application that all responses to all questions that were asked on that application were true. By doing so, the Board finds that respondent engaged in misrepresentation, and is therefore subject to sanction pursuant to N.J.S.A. 45:1-21(b).

DISCUSSION

Based on the foregoing findings and conclusions, a Provisional Order of Discipline ("POD") was entered on April 18, 2011 provisionally suspending respondent's license to practice real estate appraising in the State of New Jersey and provisionally imposing a civil penalty in the amount of \$750. Copies were served upon respondent via regular and certified mail at respondent's address of record. The Provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30th day following entry unless respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed and submitting any and all documents or other written evidence supporting respondent's request for consideration and reasons therefor.

In response to the Provisional Order, respondent submitted a letter in which he stated that he upgraded his status from Licensed Residential Appraiser to Certified Residential Appraiser in September 2009 and therefore believed that only fourteen (14) hours of continuing education were required upon being initially licensed

or certified in the first 6 months of the second year of the renewal period.

The Board considered this matter and determined that no material discrepancies had been raised with respect to respondent's failure to demonstrate successful completion of the continuing education requirements, nor had any discrepancy been raised with respect to respondent having engaged in misrepresentation on the on-line renewal application. The Board was not persuaded that respondent's argument warranted modification of the Order since only individuals who are initially licensed or certified in the second year of the renewal period are exempt from the continuing education requirements. Individuals such as respondent, who upgrade an already existing license, are not exempt from the 28 hour continuing education requirement. The Board therefore determined that the Provisional Order should be made final.

ACCORDINGLY, it is on this 30th day of November, 2011

ORDERED that:

1. Respondent's license to practice real estate appraising in the State of New Jersey is hereby suspended until respondent has furnished proofs of having successfully completed all of the credit hours of the requisite continuing education for the January 1, 2008 through December 31, 2009 renewal period.

2. Respondent is hereby assessed a civil penalty in the aggregate amount of \$750. Said penalty is an aggregate penalty, which includes a penalty in the amount of:

__xx__ \$500 for having provided a false answer to one question on the biennial renewal application (that is, falsely claiming completion of 28 hours of continuing education credit or falsely claiming completion of a 7 hour USPAP-Update Course, or its equivalent; and

__xx__ \$250 for failing to have completed between 1 and 7 hours of required continuing education.
